

## **Prof. Dr. Matthias Gunzer**

### **Curriculum Vitae**

#### **Since 07/ 2011**

W3 Professor and head of the Institute of Experimental Immunology and Imaging, University of Duisburg/Essen, University Hospital

#### **2007 - 2011**

W2 Professor for Molecular Immunology and deputy head of the Institute of Molecular and Clinical Immunology, University of Magdeburg

#### **2003-2007**

Leader of the junior research group „Immunodynamics“, Helmholtz Centre for Infection Research (HZI), Braunschweig

#### **1999 - 2002**

Scientific assistant, Institute for Cell biology, University of Münster, Dept. of Dermatology, Westfälische Wilhelmsuniversität Münster, Prof. Grabbe

#### **1996-1999**

Scientific assistant, Institute of Immunology, University of Witten/Herdecke, Prof. Zänker

### **Education**

#### **2007**

Habilitation in Immunology, Hannover Medical School

#### **1999**

PhD, Institute of Immunology, University of Witten/Herdecke, Prof. Zänker

#### **1995**

Diplom, Institute of Immunology, University of Witten/Herdecke, Prof. Zänker

#### **1992 - 1994**

Biochemistry, University of Witten/Herdecke, Witten

### **Professional academic activities**

Grant reviewer for DFG, The Wellcome Trust, MRC (both UK), US-Israeli Binational foundation (USA), ANR (France), etc.

### **Professional societies**

Deutsche Gesellschaft für Immunologie (DGFI)

Deutscher Hochschulverband (DHV)

World Molecular Imaging Society (WMIS)
